Roller blind controller, 8A, Bronze matt, metalic

Series	Simon 54
Product name / Type	roller blind controller
Color	Bronze matt, metalic
Product type	module
Nominal current	8 A
Nominal voltage	230 V
Connection type / Crimp type	Screw
IP degree of protection	IP20
Notes	Installation of roller blind switches requires additional wiring
Backlight,	yes

ETIM Class	EC000044 roller blind switch/button
In print/Pictogram	roller blind symbol
Type of material	Plastic, PC, Halogen free
Surface protection	varnished
Type of curface	matt
Mounting method[ETIM]	flush mounted
Fixing method	claws / screws
Height of product	75 mm
Width of product	75 mm
Operating method / Way of operating	rocker button
Number of buttons / levers	1
Connection layout	Other
Mechanical control	Yes
Use	The local controller is used to control the motor of a single roller blind. It is the basic element needed to create a central roller blind control system in the house (with group and central controllers). Electronics used in the local controller allows for "automatic calibration" of the roller shutter - you do not need to hold the button all the time until the roller blind is completely open or closed, the favorite roller blind position - the roller blind will open/close to the programmed position, e.g. when you want to cover the window only partially .

Outer carton quantity	10
Measure unit	Qty.
Individual packaging EAN code	5902787871727
Pack. type	blister
Ind. pack. height	15 cm
Ind. pack. width	10 cm
Individual packaging lenght	6 cm
Weight of individual packaging with product	0.115 kg
Outer type	cardboard box
Height of outer	10 cm
Outer width	19 cm
Outer lenght	32 cm
