

## DEZ1G.01/48

Group roller blind controller, 8A, anthracite, metallic

Series	Simon 54	ETIM Class	EC000044 roller blind switch/button	Outer carton quantity	10
Product name / Type	group roller blind controller	In print/Pictogram	roller blind symbol	Measure unit	Qty.
Color	anthracite, metallic	Type of material	Plastic, PC, Halogen free	Individual packaging EAN code	590278781789
Product type	module	Surface protection	varnished	Pack. type	blister
Nominal current	8 A	Type of surface	matt	Ind. pack. height	15 cm
Nominal voltage	230 V	Mounting method[ETIM]	flush mounted	Ind. pack. width	10 cm
Connection type / Crimp type	Screw	Fixing method	claws / screws	Individual packaging length	6 cm
IP degree of protection	IP20	Height of product	75 mm	Weight of individual packaging with product	0.101 kg
Notes	Installation of roller blind switches requires additional wiring	Width of product	75 mm	Outer type	cardboard box
Backlight,	yes	Depth of product	44 mm	Height of outer	10 cm
Voltage	230 V	Operating method / Way of operating	rocker button	Outer width	19 cm
		Number of buttons / levers	1	Outer length	32 cm
		Connection layout	Other		
		Model	Group push button		
		Use	Group controller allows to control a group of local controllers. Thanks to the use of a group controller, it is possible to raise and lower several roller blinds simultaneously from one place. The controller can operate roller blinds from one room (e.g. living room) or a group of rooms (e.g. ground floor, first floor or the sunniest room). By installing the controller by the bed in the bedroom or by the sofa in the living room, we will be able to lower and raise the blinds without having to interrupt the rest. Additionally, the group controller can act as a central roller blind controller.
