

## K02/9

Single socket outlet, K45, with pin earthing, 16A, 250V, Screw, 45×45mm, Pure white

|                              |                      |
|------------------------------|----------------------|
| Series                       | K45                  |
| Product name / Type          | Single socket outlet |
| Color                        | Pure white           |
| Product type                 | Complete product     |
| Nominal current              | 16 A                 |
| Nominal voltage              | 250 V                |
| Connection type / Crimp type | Screw                |
| IP degree of protection      | IP20                 |
| Type                         | with pin earthing    |

|                       |                             |
|-----------------------|-----------------------------|
| Type of material      | Plastic, Halogen free       |
| Surface protection    | natural                     |
| Type of surface       | matt                        |
| Mounting method[ETIM] | to be built-in              |
| Height of product     | 45 mm                       |
| Width of product      | 45 mm                       |
| Depth of product      | 39 mm                       |
| Installation depth    | 39 mm                       |
| ETIM Class            | EC000125 Socket outlet      |
| Fixing method         | Latch                       |
| Mounting Dimentions   | 45 × 45 mm                  |
| Model                 | with earthing, Pin earthing |
| Protective flap       | Complete housing            |

|                               |               |
|-------------------------------|---------------|
| Outer carton quantity         | 10            |
| Measure unit                  | Qty.          |
| Individual packaging EAN code | 8426436018150 |
| Indiv. weight                 | 0.047 kg      |
| Height of outer               | 4.9 cm        |
| Outer width                   | 10.1 cm       |
| Outer lenght                  | 24.5 cm       |
